

Tervis Tumbler Fundraiser

The *Cole Camp High School Cheerleaders* are selling Tervis Tumblers w/lids & straws and water bottles as a fundraiser. These items make wonderful gifts and provide great advertising for our school. The design will be a custom embroidered image that will be between the double walls of the cups. They can be used for both hot & cold beverages and do not sweat. These cups have a lifetime guarantee and are dishwasher safe. Tervis is made in the USA too! To see the design in color please visit the school's website.
